

Cuyama Valley Planning and Advisory Committee Minutes:

Page 1 of 2

Meeting of June 9, 2009:

The meeting was called to order at 7:20 pm.
Marty Eifrid and Jean Gaillard co-chaired the meeting.
Jennifer Lee as Secretary took notes.

The minutes from the May 12, 2009 meeting were not read and will be read at the July meeting.

Cuyama Water Basin Study:

Dennis Gibbs, Senior Hydrologist attended the June 2009 meeting. A Current Developments information sheet for the Hydrology Study was handed out which was to be posted on the CVPAC website as well.

Pool and Facilities:

The pool is to open in the first week of July 2009.

New Cuyama Recreation Hall Restoration:

No new news.

Mines Update:

Jennifer Lee gave an update. GPS Mine is preparing a final EIR, the proposed Diamond Rock Mine is in litigation, and Ozena Mine is preparing a draft EIR.

Valley Planning:

No new news.

Music Festival:

The festival will not be held in Cuyama Valley in 2009 but maybe in 2010.

Cuyama Valley emergency goods and services network:

The Network now has a web page and is linked to the Cuyama Valley website. It was suggested that Marty Eifrid submit a modified version of the web page to the Cuyama Valley Newsletter for July 2009.

SR-166 Safety Task Force:

Their next meeting will be in the fall of 2009 and Marty Eifrid will provide the necessary information.
