

MARCT 1

The regular meeting of CVPAC was called to order at 7:12 by Chairman Jean Gillard.

Naming of the new swimming pool was the first order of business and was discussed. Mike Noland moved and John Kidd seconded that the pool be named after Supervisor Joseph Centeno. Motion was passed.

Under mine update it was indicated that the mines meeting was postponed until May.

Due to commitments of Jan Hensley, the disaster readiness presentation was postponed until the April 13th meeting. It was announced that a lecture by Dennis Gibbs during the 3rd week of May would be held -- the exact date was not certain.

This brought about an informal discussion about water in the valley. No action on this.

Discussion about Highway 166 followed. A grant of 3 million dollars for road improvements may be in the offering. Some of the proposed improvements were mentioned. The next meeting for this will be in June.

Chairman Gillard had written a letter to the Farm Bureau asking for information re. this organization. No response had been received.

Being no further business, a motion by John Kidd to adjourn with a second was made. The motion passed.
